Please keep in mind the following information when making your request:

FENCES

Only a professionally installed 4' chain-link fence is permitted; no fence may exceed 4' in height. New or replacement wood fences are not permitted; pre-existing wood fences must be kept in a stained and/or painted condition. On any street-facing side of your home, the fence may not extend past the corners of your home. Tarps, cloth or canvas shading, and privacy screening may not be attached to any fence. All fences must be approved by Management before installation. (See 2026 Rules and Regulations, Section 11.I.)

SHEDS

Sheds may be constructed out of wood, vinyl or metal. They cannot exceed 100 square feet, which is 10' X 10'. Shed height must not exceed 12'. Sheds must be painted white or the same color as your home. Shed must be located near the back of your lot and NOT be placed over gas or other utility lines! If the shed is built above ground level it must be skirted.

PAINT

Exterior colors of homes, trim and sheds must be neutral or earth tones and approved by management. Porches, decks, stairs, railings must be painted/stained to match your home.

All landscaping improvements must be approved by management; no gardens or grass.
